

Summer 2012 Job Opportunities

Are you enthusiastic about serving others and working with youth?

Working at camp is far more than just a job. It's living and working within a community of believers who are committed to serving God, our guests, and each other as we fulfill our mission to provide hospitality and programming that promote God-inspired life-changing experiences through retreat ministry, outdoor programs and summer camp.

The 2012 Summer Application must be filled out and mailed back to your camp of choice at the address below. Applications will be reviewed after receiving your three references that are not family. You will be contacted to set up an interview concerning the position in which you are interested. Application forms are available upon request.
